Peer Feedback	
Strengths – What have they done well? Explain why.	Identify any tasks which are missing or incomplete. Identify tasks that need improvement.
Development of your project is clearly annotated, you have understood what your tasks are and have worked effectively at explaining the decisions you have made.	Dev log must be completed, upload the work you have completed for those weeks and include annotations. Final product must be completed and presented professionally for your portfolio. Final evaluation is also outstanding and must be completed in time for the deadline. Peer reviews are all present.

Student Action Plan
Finish off any work pieces that are needed and take screenshots showing my progression through the stages of development of that product and then upload these screenshots to ArtStation and my blog, when uploading to my blog provide a detailed explanation of why I created the artwork. Finally complete my evaluation with screenshots of my work to show what I did and why.
